Visiting Southview

Always Ready sm for you

Southview Medical Center serves Dayton's south suburbs, including Centerville, West Carrollton, Moraine, Oakwood, Miamisburg, Springboro, and Kettering.

Whether you're welcoming your new baby at our maternity center, having surgery at our hand trauma center, or visiting our emergency room, we're here for you and your family.

The hospital features easy parking and ground level access to all entrances. In addition,

it is home to Joslin Diabetes Center, an affiliate of the Harvard Medical School. It is an internationally recognized center for its leadership on diabetes research, patient care, and education.

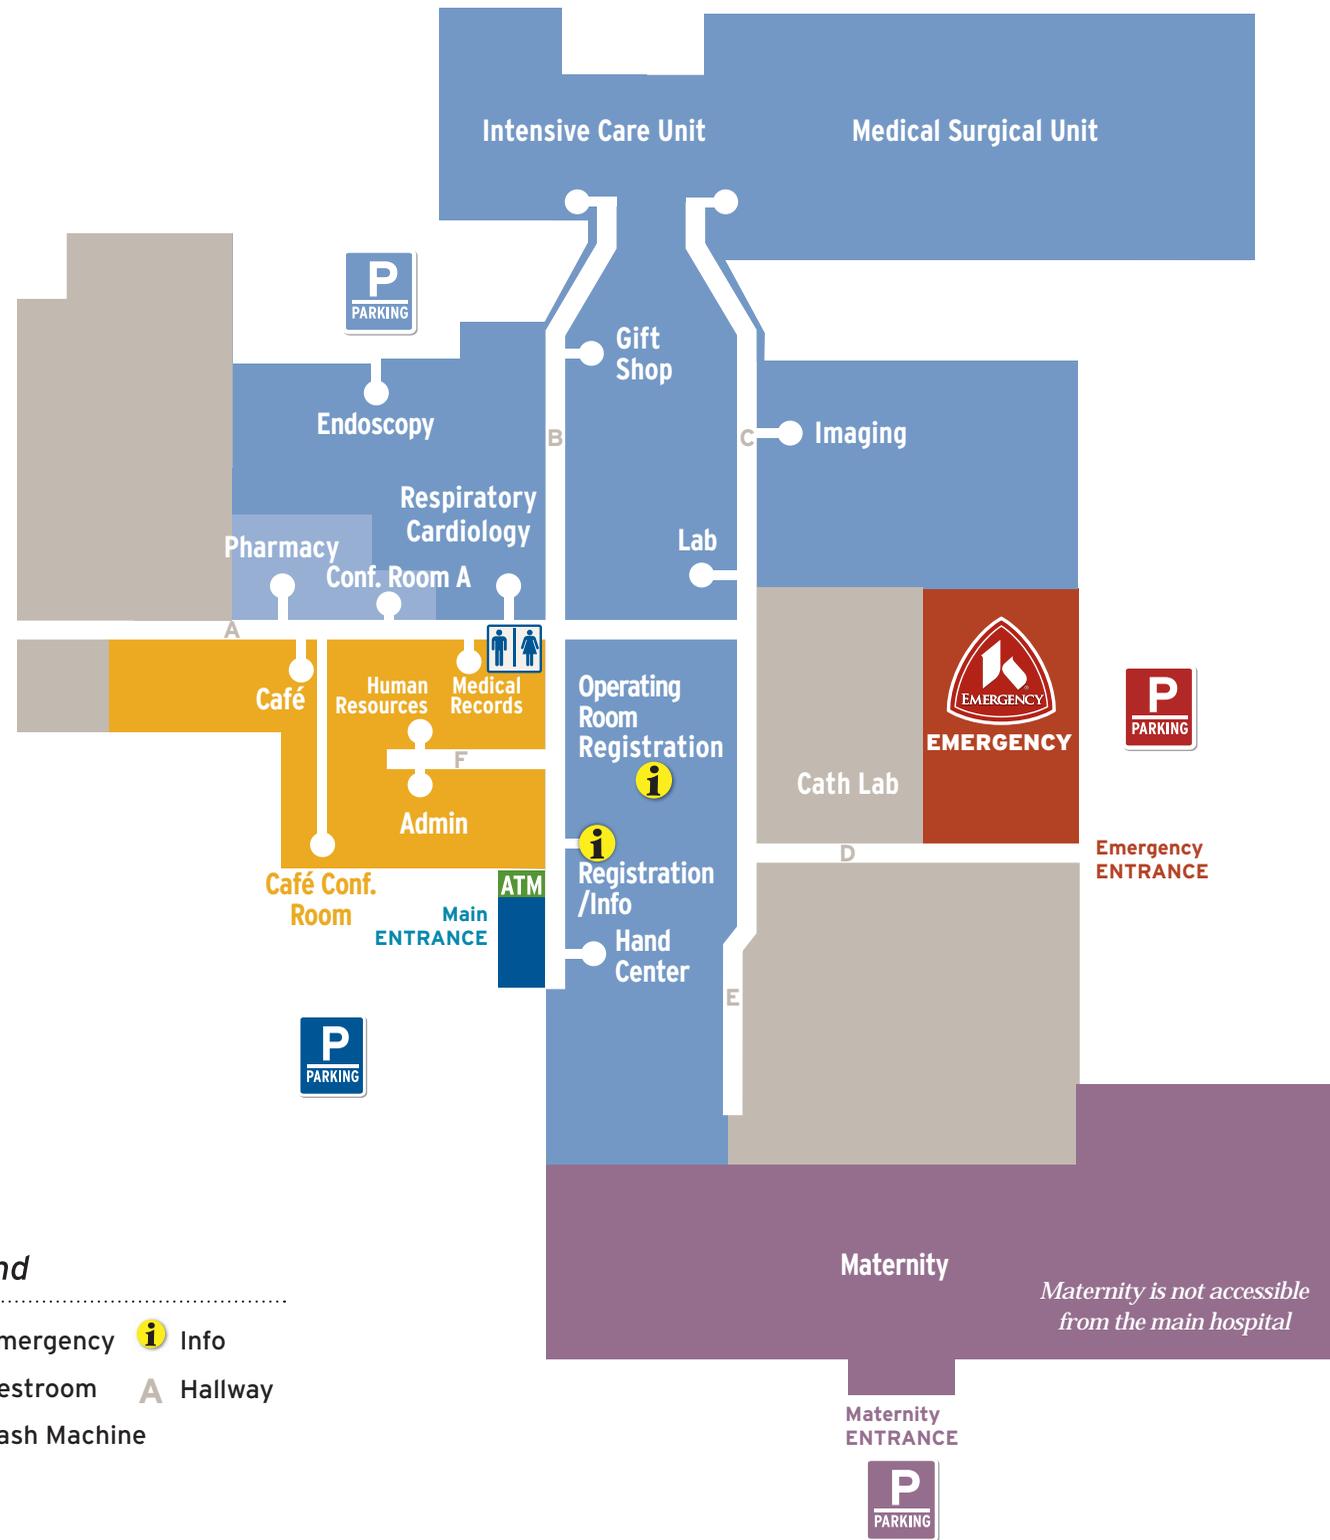

The campus also includes Yankee Medical Center which provides outpatient services, including orthopedic and cardiology services, MRI, and physical therapy.
